This text places the role of law enforcement in a larger political context, providing readers with a practical overview of Canada's political structure, governance, and public policy.

### Cybersecurity in Canada: Operations, Investigations, and Protection

Syms, Smith

978-1-77462-335-0 **NEW**

This book is intended to serve introductory and/or intermediate level college and university courses in cybercrime and cybersecurity, for professional development and training.

## BESTSELLERS

### Communication and Report Writing for Law Enforcement Professionals, 6th Ed.

Rosnick, McAleer

978-1-77462-384-8

This text equips Canadian policing students with the interpersonal, assessment, written, and reporting skills needed for the field. Students will learn how to obtain, file, and process information and navigate specific scenarios such as conducting digital car searches.

### Police Powers, 2nd Ed.

Moorcroft, Page, Reilly

978-1-77255-514-1

This edition includes expanded coverage of national content, revised chapters that reflect recent legislative changes, and new "On Scene" and "It's Your Move" scenarios for students to exercise their understanding and assessment skills.

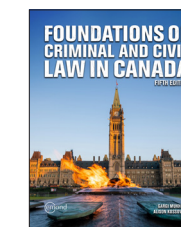

### Provincial Offences: Essential Tools for Law Enforcement, 5th Ed.

Lawrence, Maher

978-1-77255-599-8

Continuing to serve as a comprehensive in-class primer, this edition reflects current provincial statutes and regulations, including the *Contraventions Act*, the *Cannabis Act*, and the *Missing Persons Act*.

### Foundations of Criminal and Civil Law in Canada, 5th Ed.

Mukherji, Kossowski

978-1-77255-738-1

Offering a broad survey of Canadian law and its subdivisions, this resource equips students to classify offences in criminal cases, develop basic research skills to locate, interpret, and apply statutes, and more.

### Interviewing and Investigation, 4th Ed.

Watkins

978-1-77462-005-2

This edition addresses current interviewing techniques essential to would-be investigators. This text is designed to help students develop the interviewing skills necessary to retrieve information from witnesses, victims, and suspects.

### Introduction to Emergency Management in Canada

Collins, Blackburn

978-1-77255-678-0

By presenting emergency management through an applied lens, this resource will not only give readers a solid understanding of emergency management, but it will also prepare them for some of the practical realities of managing emergencies in Canada.

### Evidence and Investigation: From the Crime Scene to the Courtroom, 2nd Ed.

Watkins, Anderson, Bulmer, Rondinelli

978-1-77255-448-9

Modern-day investigations are complex, but this text has readers covered. It provides information on recognizing, gathering, preserving, and presenting evidence.
